REMARKS

Applicant expresses appreciation for the interview courteously granted on October 6, 2006 with Examiners Allen and Gart. By this paper, claims 21, 27, 41, 44, 45, 49, and 51 have been amended to further define and clarify terms discussed in the interview with the examiner. Claims 43, 46, 48, 50, 52, and 53 have been canceled, since the content thereof has been incorporated into other claims. Claims 21, 23-28, 41, 44, 45, 48, and 51 are believed to be in condition for immediate allowance. Favorable reconsideration of the application is respectfully requested.

Statement of the Substance of the Interview

During the interview of October 6, 2006, the merits of claim 1 were discussed in view of Herz. Applicant asserted that the prior art did not fairly teach the use of a micro-context derived from user activities and reflecting actual meaning of the words in a query. Nevertheless, the examiner maintained that without additional limitations on some of these terms, the broadest reading of them could still apply to the disclosure and teachings of Herz and the art of record. Accordingly, by this paper, Applicant further amends, adding limitations describing what user activities are involved and further defining micro-context.
